INTRODUCTION

The Transportation Disadvantaged Trust Fund is administered by the Florida Commission for the Transportation Disadvantaged (Commission), pursuant to Section 427.0159, Florida Statutes. The purpose of the Transportation Disadvantaged Trust Fund is to provide a dedicated funding source for the operational and planning expenses of the Commission in carrying out its legislative responsibilities. The trust fund is appropriated by the Legislature annually from revenues collected from vehicle registrations and voluntary contributions. The Planning Grant Program was established to provide funding to designated official planning agencies to assist the Commission in their responsibilities at the local level and to provide support to the Local Coordinating Boards.

This manual contains information regarding the Transportation Disadvantaged Planning Grant Program administered by the Commission. It provides guidance to designated official planning agencies when implementing local transportation disadvantaged planning services under the Transportation Disadvantaged Program.

This manual is divided into two parts: Program Requirements and the Grant Recipient Information Instructions.

PART I PLANNING GRANT PROGRAM REQUIREMENTS

This part of the manual contains requirements that accompany the Planning Grant Program and the tasks that are required to be accomplished.

1. ELIGIBILITY INFORMATION

A. Eligible Recipients

An eligible recipient is any official body, agency or entity designated by the Commission to fulfill the functions associated with staffing the local coordinating board (LCB) and other necessary local designated planning agency functions. The Metropolitan Planning Organization (MPO) shall serve as the planning agency in areas covered by such organizations unless the Commission has designated a service area beyond the area for which an MPO has been created to serve. In designated service areas not covered by a MPO, agencies eligible for selection as the designated planning agency include county or city governments, regional planning councils, local planning organizations or other planning providers who are currently performing planning activities in designated service areas or capable of such.

To be eligible for this grant agreement, there must be an active LCB in the respective service area to assist in the successful completion of the tasks herein. The determination of whether a LCB is functioning will be based on supportive documentation in the Commission files.
